# Lifetime Warranty

## TRANSFERABLE

This Lifetime Limited Warranty ("Warranty") applies to the products ("Products") manufactured and sold by Vinyl Pro Window Systems ("Manufacturer"). It is extended to the original purchaser ("Customer") of the Products. The Warranty covers defects in materials and workmanship, subject to the terms, conditions, and limitations outlined herein.

### Scope of Coverage

#### Window Frames and Sashes

The Manufacturer offers a Lifetime Warranty on solid PVC white window frames and sashes against defects such as blistering, peeling, flaking, cracking, fading or warping under regular use.

All painted or coated surfaces are warranted against peeling, cracking, and excessive fading due to manufacturing defects for fifteen (15) years from delivery. Following this period, replacement materials will be provided under Warranty, but labour and service charges for refinishing or replacement will be the Customers' responsibility.

#### Hardware

All window hardware, including but not limited to locks, handles, and other mechanical components, is covered by a Lifetime Limited Warranty. For the first fifteen (15) years from the delivery date to the Customer, the Warranty covers parts and labour for any necessary repairs or replacements due to defects. After the

initial fifteen-year period, the Warranty continues to cover the cost of replacement parts; however, labour and service fees for repair or replacement will be charged to the Customer at the Manufacturer's current service rates.

#### Insulated Glass Units (IGUs)

The insulated glass units are warranted against seal failure or significant visual defects arising from the manufacturing process. "Failure" is defined as a loss of the seal between the glass and edge sealant, resulting in the formation of moisture or dirt between panes. This coverage is valid for **twenty (20)** years from the delivery date. After **twenty** years, the Warranty will cover the cost of replacement glass, but labour and service costs for installation will be charged to the Customer at the Manufacturer's current service rates. Cracked or broken glass caused by manufacturing defects or thermal shock is covered on parts and labour for one (1) year from the delivery date.

### Warranty Limitations

This Warranty is subject to the following exclusions and limitations:

1. **Improper Use or Maintenance:** Damage resulting from improper installation, misuse, abuse, lack of maintenance, or unauthorized repair or modifications is not covered by this Warranty.
2. **Environmental and External Factors:** Damage caused by wind, hail, lightning, extreme weather, or other incidents of weather deemed as an act of God, fire, flood, chemical exposure, or any external

factors beyond the Manufacturer's control is excluded from coverage. Exposure to harmful pollutants, the corrosion of non-vinyl products or components due to the proximity to coastal areas, excessive thermal or physical stress and/or high humidity levels, such as but not limited to improper storage.

3. Normal Wear and Tear: This Warranty does not cover damage caused by normal wear and tear, including but not limited to minor scratches, corrosion, or fading resulting from prolonged sun exposure and/or environmental conditions.

4. Service Charges: After the warranties have expired, labour and service charges for repairs or replacements are not covered under this Warranty. The Customer will be responsible for all service-related costs based on the Manufacturer's current rates. The Customer will be notified of applicable charges before any repair or replacement service commences.

5. Exclusions: This Warranty does not cover: Condensation on the exterior or interior surfaces caused by environmental conditions. Broken glass or torn screens from any cause other than manufacturing defects. Damage caused by settlement or structural issues in the building.

Minor imperfections that do not affect the Product's structural integrity or obscure vision.

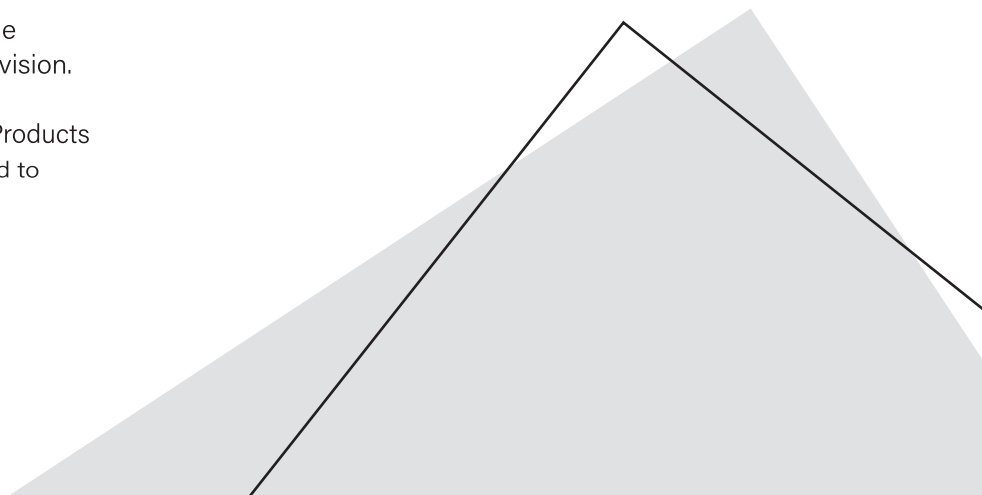

6. Failure to Report: The Installation of Products with visible defects, such as but not limited to

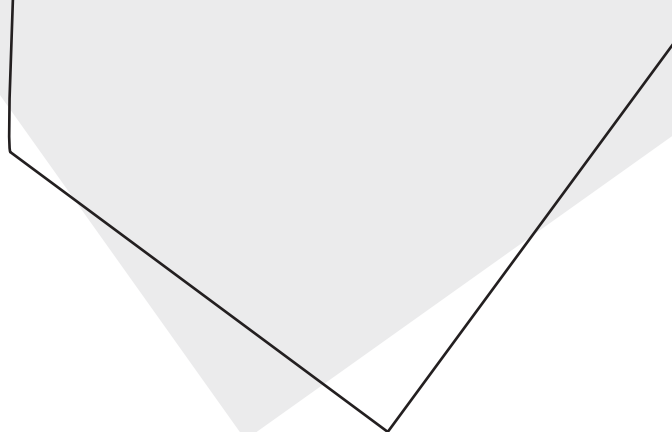

scratches, dents, or cracks, without prior notification to the Manufacturer, voids coverage for those specific defects.

7. Liability Limits: The Manufacturer's liability is strictly limited to repairing, replacing, or substituting parts at its sole discretion. Replacement parts supplied under this Warranty will retain the original Warranty's coverage period. Incidental or consequential damages, including but not limited to labour costs or property damage, are expressly excluded from this Warranty.

This Warranty will be void if the Customer alters or modifies the Product after installation without the Manufacturer's prior written consent, uses the Product improperly or beyond its intended purpose, or employs harmful solutions or abrasive compounds.

8. Third-Party Claims: The Manufacturer is responsible solely for the manufactured Product. All installation-related claims should be directed to the Distributor/Dealer/Installer. The Manufacturer will not be responsible for claims arising between the Distributor/Dealer/Installer and their Customers.

### **Transferability**

This Warranty is fully transferable. Original purchase documentation is required. (receipt or the original contract).

### **Commercial Applications**

For Products installed in buildings used for commercial purposes, such as but not limited to retail, industrial, or rental activities, the Warranty is limited to a ten (10) years period. After this period, only replacement parts are covered, and all labour and service charges apply.

### **Replacement Parts or Repairs**

The Manufacturer reserves the right to discontinue or change any window style or line without prior notice. If a replacement or repair is required and the original part is no longer available, the Manufacturer may substitute a part of equal quality at its sole discretion. The Manufacturer reserves the exclusive right to determine, at its sole discretion, the appropriate repair method, including but not limited to the selection and use of spare parts, components, and tools deemed necessary to carry out such repair.

### **Claim Procedure**

To file a Warranty claim, the Customer must:

1. Notify the Manufacturer through the Dealer Company in writing within thirty (30) days of discovering the defect.
2. Provide proof of purchase and the date of delivery
3. Allow the Manufacturer or its authorized representative reasonable access to inspect the Product and verify the claim.

### **Additional Provisions**

This Warranty provides specific legal rights and may vary depending on the Customer's jurisdiction.
