

↑ Uno steel door | Luxe 22"×64" patina doorglass ■ Benjamin Moore, Cobalt Blue 2061-20

Luxe
NEW
Stained glass — Classic style

Luxe is a transitional masterpiece. Its refined diamond patterns and expertly crafted bevels create a striking visual that commands attention, elevating any space with a blend of elegance and understated luxury. Luxe combines textured satin glass and one-of-a-kind bevels for the perfect level of privacy and style.

Privacy level 4/5 Lots of privacy with some clear areas		Textures 1. Beveled clear glass 2. Satin finish glass

Luxe — Stained glass — Classic style

Materials and composition

Triple glazed Insulated unit assembled with two aluminum spacers and stained glass in between. Glazing with energy-efficient glass (low emissivity) and argon gas. This composition reduces heat transfer and improves energy efficiency.

Pairing

Looks great when paired with satin or clear glass sidelites and transoms.

Custom doorglass

This model is available in custom sizes, adapted to your specific needs. Change the coming color to patina (black), flat patina, zinc (silver), or brass (gold color). Change one or more textured glass panes to the texture of your choice.

ENERGY STAR®

This doorglass can be part of an ENERGY STAR-approved entry door system, depending on the options selected. Check with your retailer to see if your selection of Novatech products (door, window frame and doorglass) is ENERGY STAR certified.
